

## **Students raise over 2,000 shoes!**

Thank you to all the students at Colorado Academy, Kent, Mullen, Regis and St. Anne's (coordinated by Helen Hayes) who participated in Soles for Kenya, a shoe-raiser for Kenyan orphans. We exceeded our goal of putting shoes on 2,000 orphans, thanks to this collaborative community effort. Newton Running in Boulder contributed to the project's success by matching donated new kids' sneakers with Newton running shoes for adolescents / teens in Kenya. We are grateful for everyone's hard work.
